Dear Shareholder

Carecana™ Management Corp. ("Carecana") is pleased to provide you with the following update regarding your investment in **CareVest Mortgage Investment Corporation** (the "MIC"):

2020 Overview

Portfolio activities for 2020 include: (Figures as at December 31, 2020)

- Closed sales of \$2.25 million of non-performing assets
- Continued to fund retraction requests, in accordance with the terms of the MIC's shares, resulting in \$10.9 million being paid out during 2020, and over \$129 million since 2013

Examples of 2020 recovery efforts include:

Alberta

- Closed sale of 1 parcel of raw land in December 2020
- Closed sales of 5 single family lots (total to date 21) out of 96 serviced lots on a 44 acre site

Following on the success of certain realizations in 2020, Carecana's management will continue to pursue opportunities to convert remaining non-performing assets within the MIC's portfolio at strong net realizable value to the MIC.

The recovery of each non-performing asset is complex and is subject to market uncertainty. For these reasons, and any other unforeseeable factors, the process takes time and Carecana appreciates your patience.

2020 Net Asset Value Per Share

After applying International Financial Reporting Standards ("IFRS") at each reporting date the Net Asset Value per Class A Share of the MIC at December 31, 2020 has decreased to \$8.56.

2021 Retraction Notice Period

Shareholders wishing to submit a retraction request for all or a portion of their Class A shares may do so by submitting retraction forms during the next available retraction notice period scheduled for February 10 to 12, 2021.

If you made a request in 2020, you will need to submit a new request in 2021.

The 2021 retraction forms are available online at Carecana's website under the 'Shareholder Administration' section. Instructions for completing and submitting the forms are included. The MIC is not able to accept or act on a retraction request received outside of the MIC's retraction notice period so please ensure you submit the form to Carecana between **February 10 to 12, 2021**.

The MIC's shareholder approved monthly and annual retraction limits allow the MIC to avoid the need to liquidate longer term assets in the short term at potentially reduced prices. This approach permits the MIC to maximize the recovery on non-performing assets and continue operations for the benefit of shareholders as a whole.
