Dear Shareholder:

Carecana Management Corp. ("Carecana") is pleased to provide you with the following update regarding your investment in **CareVest Mortgage Investment Corporation** (the "MIC").

2017 Overview

Portfolio activities for 2017 include: (Figures as at December 31, 2017)

- Closed sales of over \$7.3 million of non-performing assets
- Continued to fund retraction requests, in accordance with the terms of the MIC's share issue, resulting in \$13.7 million being paid out during 2017, and over \$94 million since 2013

Examples of 2017 recovery efforts include:

British Columbia

- Closed sales of an additional 15 condominium units (93 units closed to date) from a 98 unit condominium project. The remaining 5 units have been sold with closing dates to occur in January and February 2018
- Closed sale of 1 parcel of raw land in August 2017
- Sale of 1 parcel of raw land is scheduled to close in January 2018

Alberta

- Closed sales of 4 single family lots out of 10 remaining in a country residential development
- Closed sales of 7 single family lots out of 96 serviced lots on a 44 acre site
- Closed sale of 1 parcel of raw land in March 2017
- Sale of 1 parcel of raw land is scheduled to close in June 2018

Following on the success of certain realizations in 2017, Carecana's management will continue to pursue opportunities to convert remaining non-performing assets within the MIC's portfolio at strong net realizable value to the MIC.

The recovery of each default loan and inventory position is complex, and is subject to market uncertainty. For these reasons, and any other unforeseeable factors, the process takes time and Carecana appreciates your patience.

2017 Net Asset Value Per Share

After applying International Financial Reporting Standards ("IFRS") at each reporting date, the Net Asset Value per Class A Share of the MIC at December 31, 2017 has increased to \$8.40.

2018 Retraction Notice Period

Shareholders wishing to submit a retraction request for all or a portion of their Class A shares may do so by submitting retraction forms during the next available retraction notice period scheduled for February 10th to 15th, 2018.

If you made a request in 2017, you will need to submit a new request in 2018.

The 2018 retraction forms are available online at Carecana's website under the '[Shareholder Administration](#)' section. Instructions for completing and submitting the forms are included. The MIC is not able to accept or act on a retraction request received outside of the MIC's retraction notice period so **please make sure you submit the form to Carecana between February 10 to 15, 2018.**

The MIC's shareholder approved monthly and annual retraction limits allow the MIC to avoid the need to liquidate longer term assets in the short term at potentially reduced prices. This approach permits the MIC to maximize the recovery on default mortgages and inventory assets and continue operations for the benefit of shareholders as a whole.
